

Retrospective	
Start Doing:	We would like to start working on getting the videos to actually stream. We knew this would be the hardest part but it is taking longer than expected.
Stop Doing:	Would like to stop doing design work and get to actual impenetation.
Continue Doing:	We would like to continue looking for more movies to stream. We only have 2 so far and need a lot more if we want to have an actual streaming service.
Stories Completed:	None (Only got 75% of the way on the first user story. We probably should have broken it up into several user stories.)
Stories Not Completed:	1. As a user, I want to be able to click on a movie cover so that I can watch a film
	2. As a user, I want to be able to use a grid of movie covers so that I can find the film I want.
