Retrospective	
Start Doing:	We would like to start working on search and aesthetics.
Stop Doing:	We would like to stop implementing the design and code of the basics of the site and get to building out the nice features that make the site useful.
Continue Doing:	Continue to find more movies to stream.
Stories Completed:	1. As a user, I want to be able to click on a movie cover so that I can watch a film
	2. As a user, I want to be able to use a grid of movie covers so that I can find the film I want.
Stories Not Completed:	None. All stories completed this sprint.
